## Consultant (m/f/d) Healthcare & Life Sciences

Our clients in Healthcare & Life Sciences are world leading companies and key innovators in the pharma, biotech, healthcare technology, diagnostics, health IT and consumer health space.

**Offices:** Berlin, Cologne, Frankfurt, Hamburg, Munich

### What makes us special:

- Exciting professional opportunities in a thriving company
- Corporate culture led by our entrepreneurial spirit, openness, and integrity
- Short communication channels for optimal working conditions
- Helpful, enthusiastic colleagues and a great team spirit
- Extensive training and learning program as well as constant feedback
- Fantastic employee events (World Meeting, Summer Party)

### How you will create an impact:

- Support industry leaders and early-stage ventures in driving launch effectiveness and commercial excellence
- Have impact on our clients' business success as well as on shaping the future of healthcare for our society
- Develop and assess strategic options via targeted business and market insights
- Apply advanced research and analysis methods
- Utilize digital resources to develop effective client solutions
- Derive, present and support the implementation of actionable recommendations
- Work in international project teams with diverse cultural and professional backgrounds

### About you:

- Above-average university degree
- Educational background in general business, science or medical
- Prior company or consulting internships
- You are fluent in business English (written and spoken), German is a plus
- Proficient knowledge of MS Office
- Strong analytical and problem structuring capabilities
- High motivation, dynamic attitude and strong communication skills

If you're interested and you'd like to support our team with your expertise, experience and commitment, we are looking forward to receiving your application: [talents.simon-kucher.com](https://talents.simon-kucher.com)
